Foreword

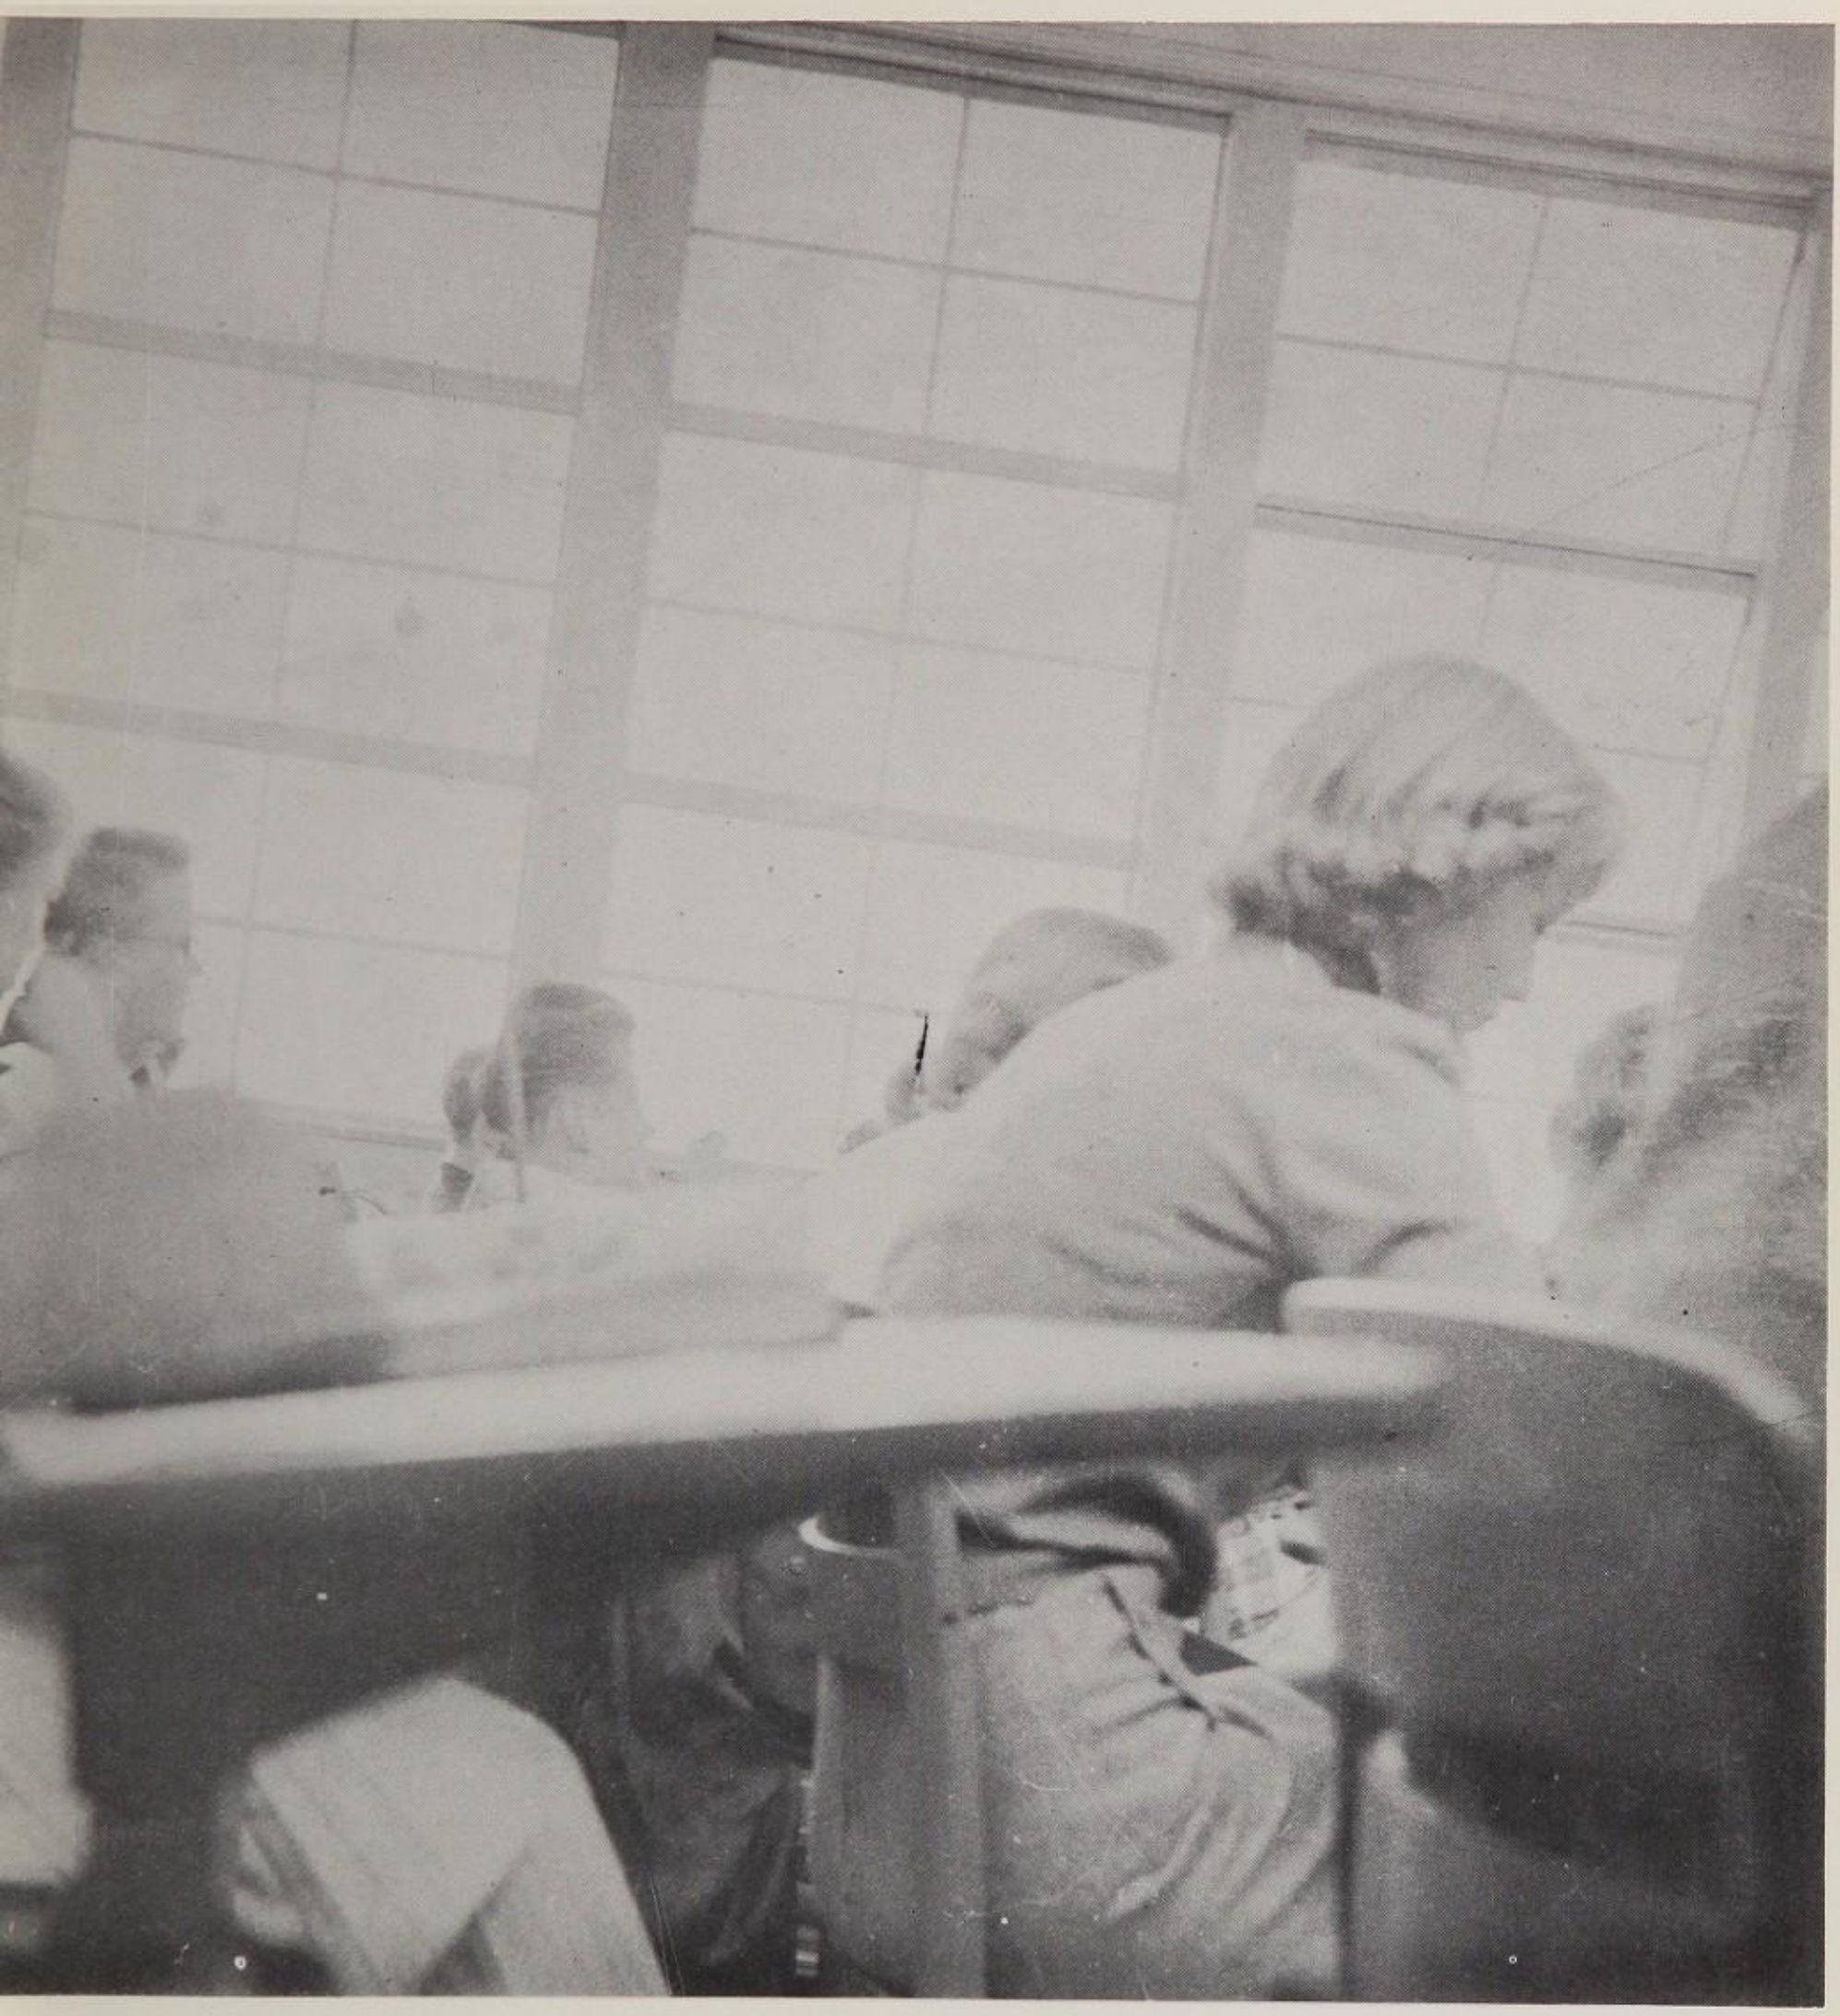
At long last, you have your annual, the book you have been waiting for. It is your memory book of the year '53-'54, with all of your activities listed chronologically by season. May you keep it always and may it help you to remember the "Golden Days" of high school!

"Respect is what we owe; love, what we give."
— PHILIP JAMES BAILEY

In three years as Vice-Principal of Helix, John T. Warburton has attained two great things, love and respect. There is not a student at Helix that does not feel these things for him. Since he will be leaving shortly, we would like to express our deeply-felt gratitude for all that he has done and wish him the best that the future can bring.

Fall

Back to the old grind! Oh, well, it wasn't too bad, the beginning of school. We saw all of our friends again. Then of course, there were the football games. Our team proved itself by beating Grossmont and winning the musket. The Hi-Steppers and the Band put on some really wonderful performances, especially at the Homecoming game. The new A.S.B. officers started on their respective jobs. By the end of the season we were really in the swing of things.



Third Prize, Tartan Photographic Contest: "Classroom Discussion" by Ronnie Tehan

The class of 1954 has contributed a great deal to the success and progress of Helix High School. During your three years your cooperation and leadership has been felt. Your class is to be congratulated for its part in helping to guide the organization and development of our new school.

My best wishes to each one of you as you carry out your ambitions and take your place as adults.

Election Board

Led by Marylyn Sharp, A.S.B. secretary, this group is in charge of all elections. In spite of the so-called boring job of taking ballots around to the classes and counting them, they still manage to have a lot of fun!

Commissioner's Assistants

Although their work is done behind the scenes, it is important. They really save time for the busy commissioners in their difficult jobs.

Student Council

Led by Jim Hutchens, A.S.B. Veep, this group finds unique solutions to all our school problems.

The Student Body really appreciates the crazy jukebox in back of the cafeteria. Thank you, Student Council!

Football

Much spirit and the will to win were the big attributes of the hearty Highlanders. Mentor Maynard gave his all to the team using to the utmost his knowledge of conditioning and his tricky plays. The running of juniors Karl Jordan, Sonny Beyer, plus the passing of Henry Bonilla gives us much hope for next year. The kicking of Frank Morgan saved the retreating Highland Eleven from embarassment many times. The solid wall of Dick Gardner, Stan Davies, Bernie Svalstad, Norm Crawford, Brian Herald, Bob Merada and Ed Stemen stopped many of the opposing teams forward drives. Leo Kennison, Don Ahrensberg, Wayne Sweetwood, and Jim Ethridge made their hard tackles felt by the invading foes.

Although only chalking up one win against seven losses, Helix's green wave showed to advantage in most of their tilts this year. In fact, half of the games lost could have gone either way, the outcome not being discernable until the last gun had sounded.

Helix is really proud of their 1954 Hi-Steppers, and it's no wonder, it would be hard to excel one of their half-time performances. Under the sponsorship of Mrs. Venalee Field, these girls practiced many long hours to achieve the colorful effects we saw at the football games, and enjoyed so often in parades.

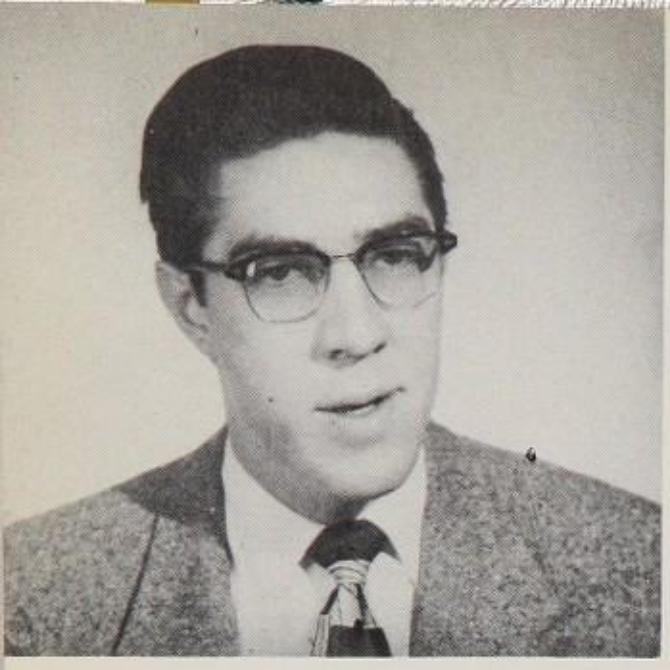
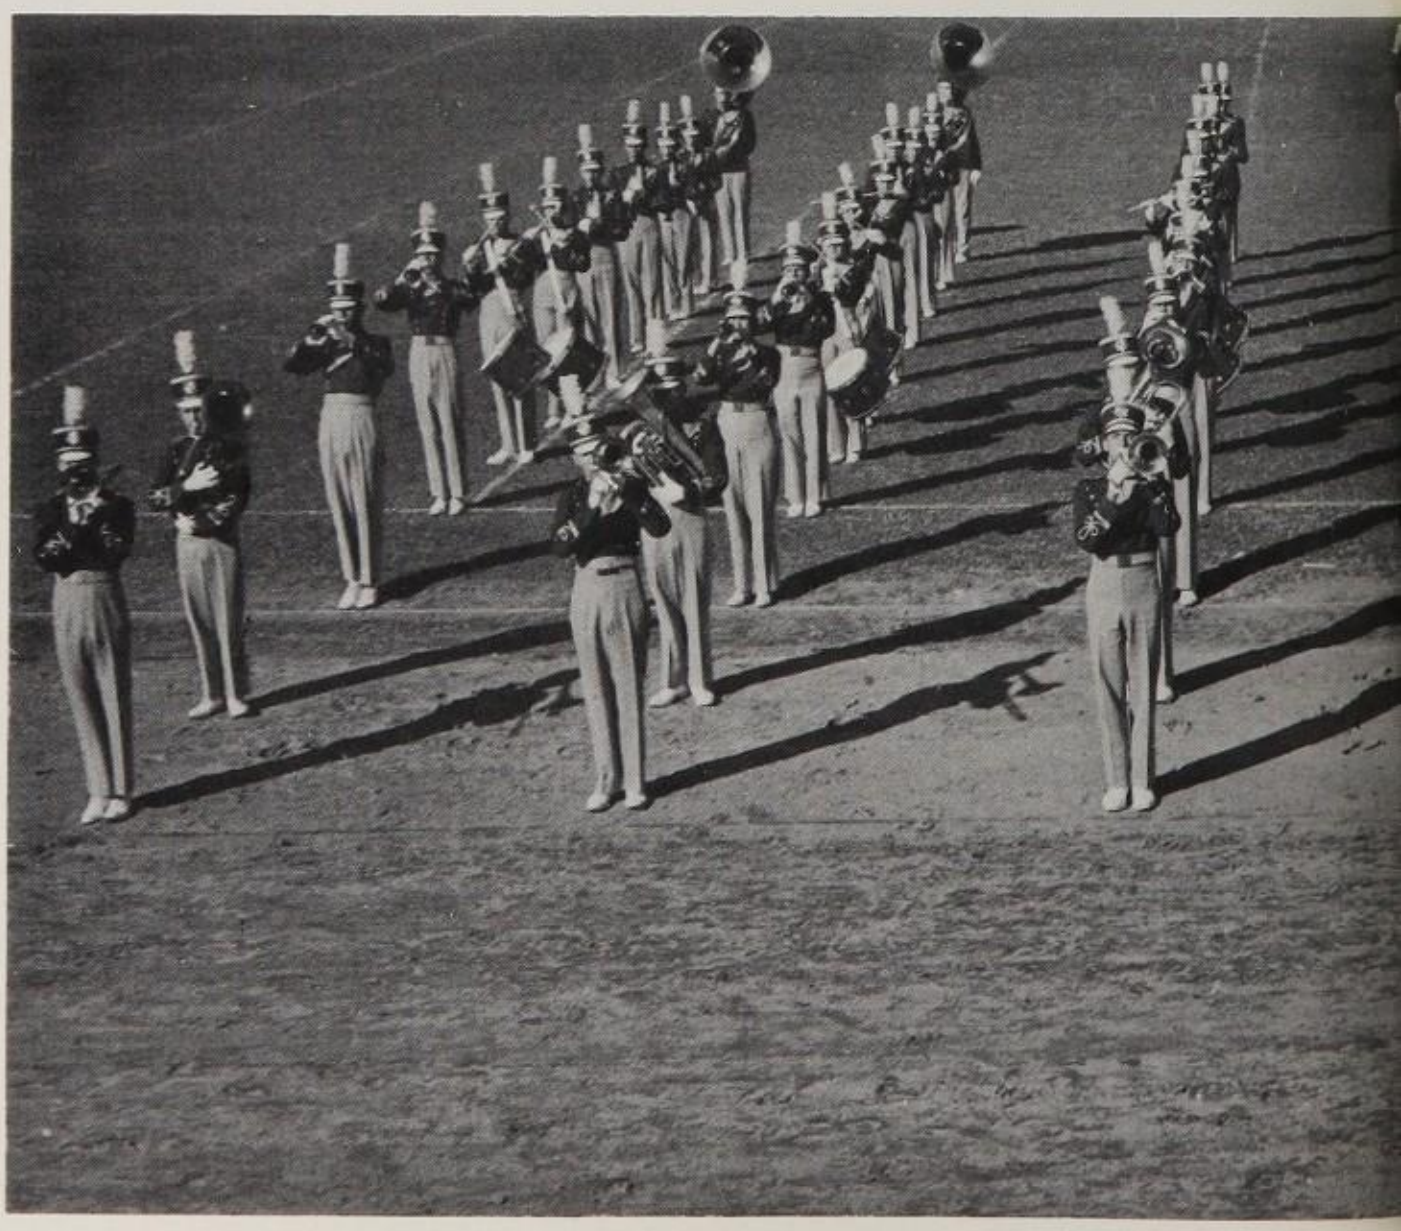
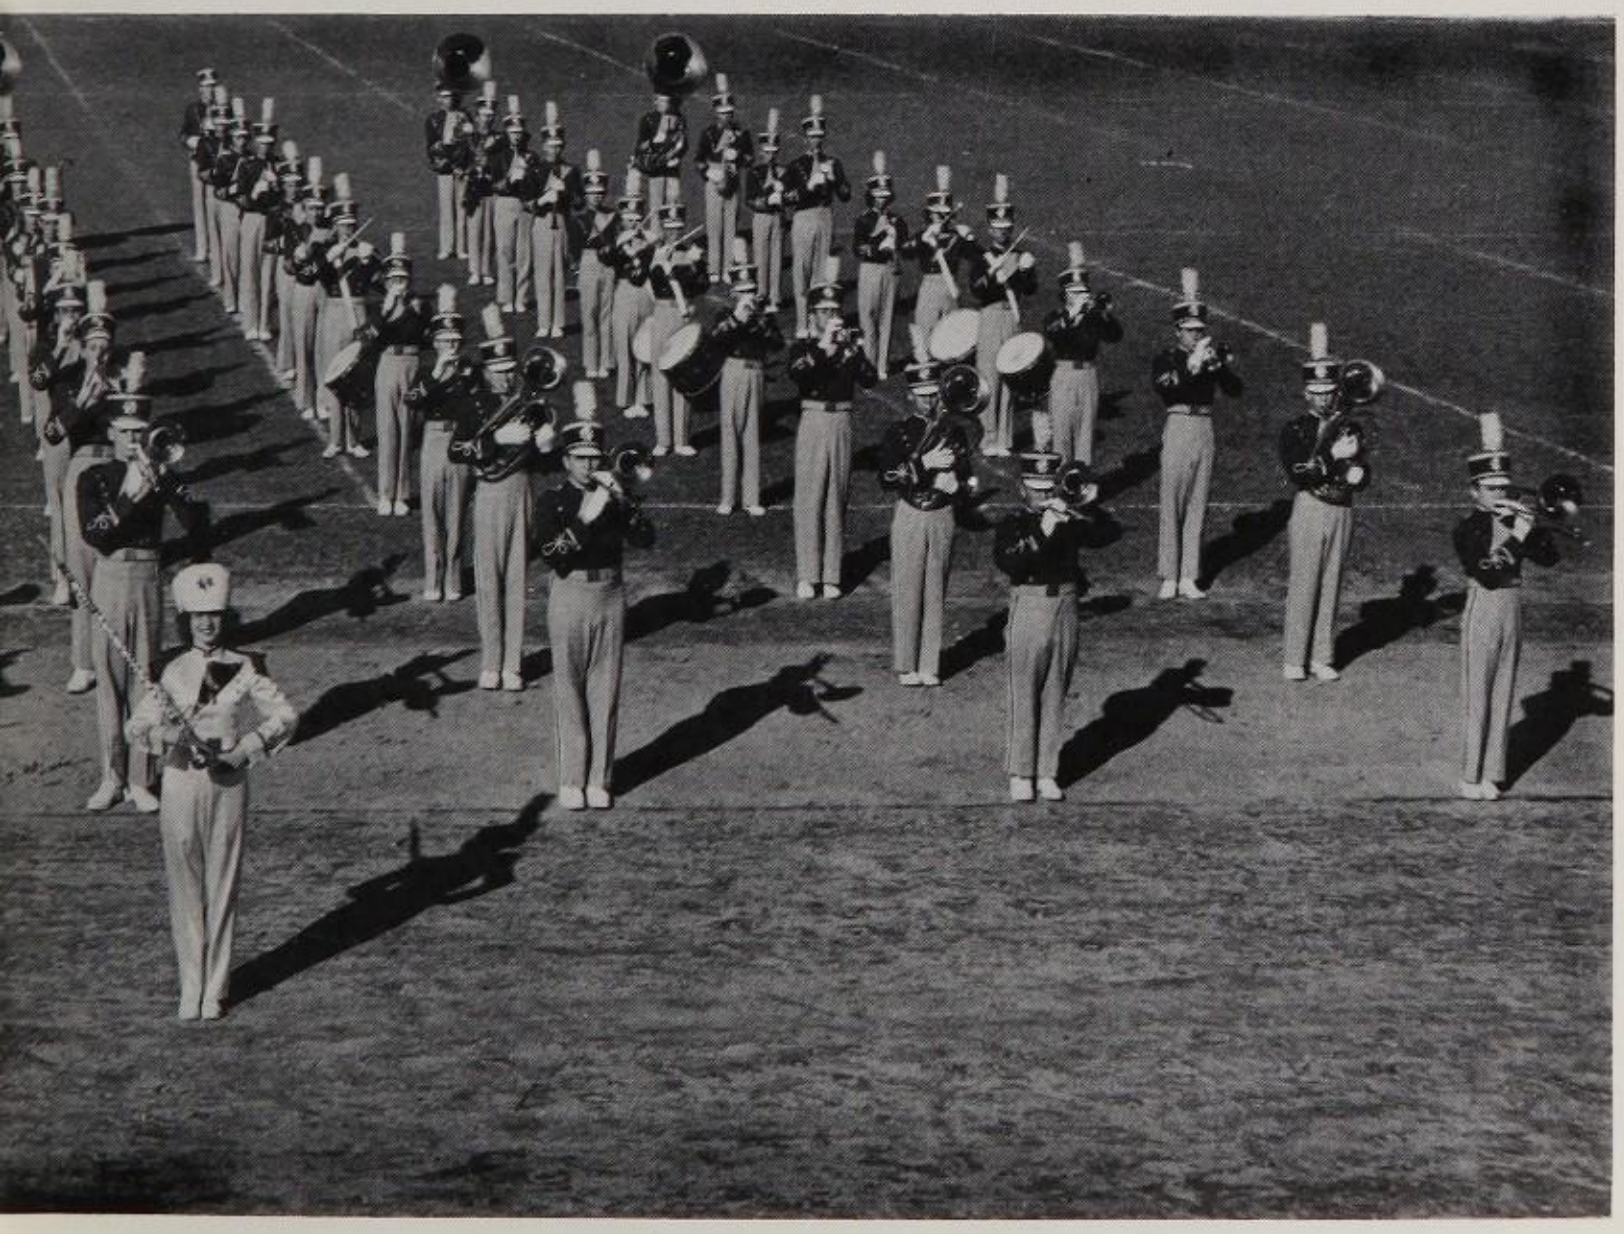
SERVICE COMMITTEE

SOCIAL COMMITTEE

The Girls' League was formed to unify the girls of Helix. Every girl is automatically a member and may participate by joining one of the committees. Some of their outstanding activities were a Thanksgiving drive, selecting a girl of the month, and presenting a scholarship to a worthy senior girl. Helix is really proud of this fine service organization.







Under the excellent leadership of Dan Lewis, they always came home with a trophy. We are proud to say that the "Green and Silver Band" is considered one of the best in the nation!

Band Specialties

Always seen in front of our "Green and Silver Band" is our terrific Drum Majorette, Mary Rewicz. She did a fine job this year and always looked great in her sparkling white uniform.

That good-looking Band Majorette was cute, blonde, Phyllis Ehlers. She was great with that baton of hers and we're really proud of her.

Helix cagers kept the league jumping all year by beating the three top teams when it was least expected by the opposition. The men of macadam, under the adept coaching of Robert Divine, new to Helix this year, developed very effective defensive play. Their varieties of man to man and zone defenses took a toll of enemy points; as a result, scores were never alarmingly large. The most exciting fetes were with Hoover, Grossmont, and San Diego.

In spring a young man's thoughts turn to love, and track! Tennis and track were two sports that our boys could really play. Wrestling was popular then, too. Our orchestra made the other orchestras look sick at the county festival. At this point the year was almost over.

This fine military organization gives any boy interested in a military career basic military knowledge and experience. It also encourages the development of qualities such as leadership and teamwork.

Often the cadets go on encampments lasting from three to seven days. These encampments are not only interesting and educational, but also a great deal of fun.

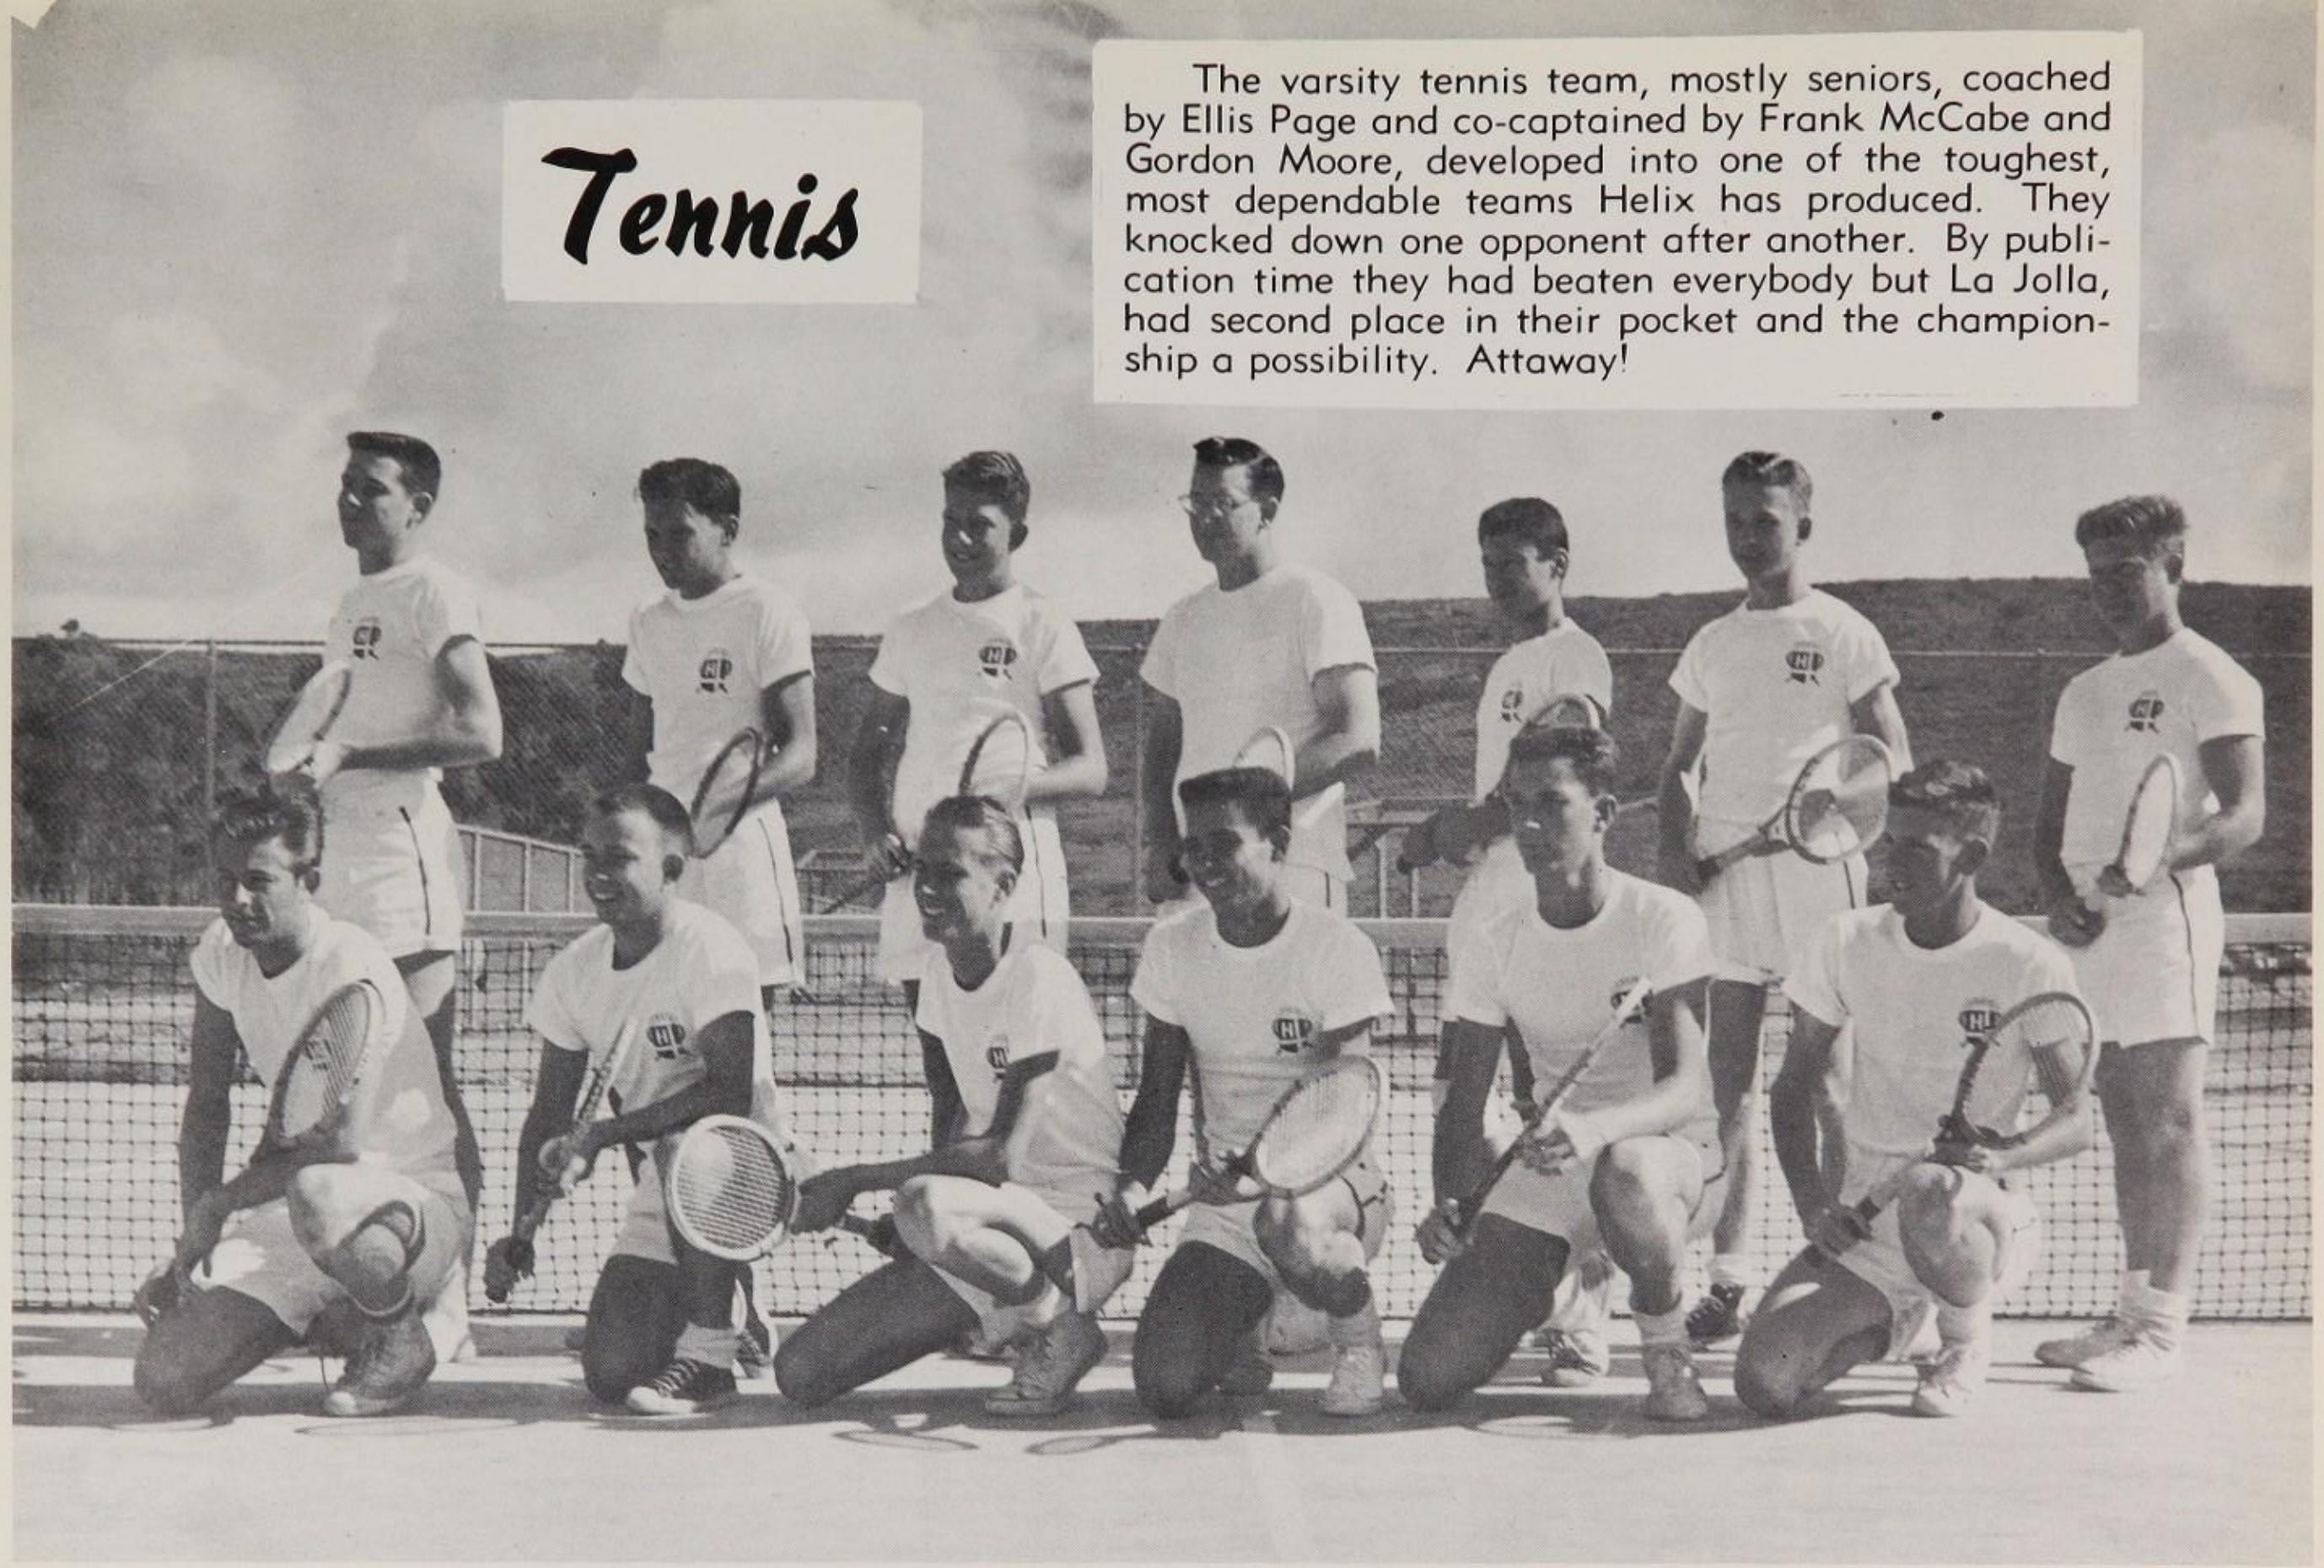
Orchestra

Music, Music, Music!

The Helix Orchestra has shown what a high school orchestra can do. Under the outstanding leadership of Dan Lewis, they have played at numerous festivals and have always received superior ratings. A bouquet of roses to this fine group!

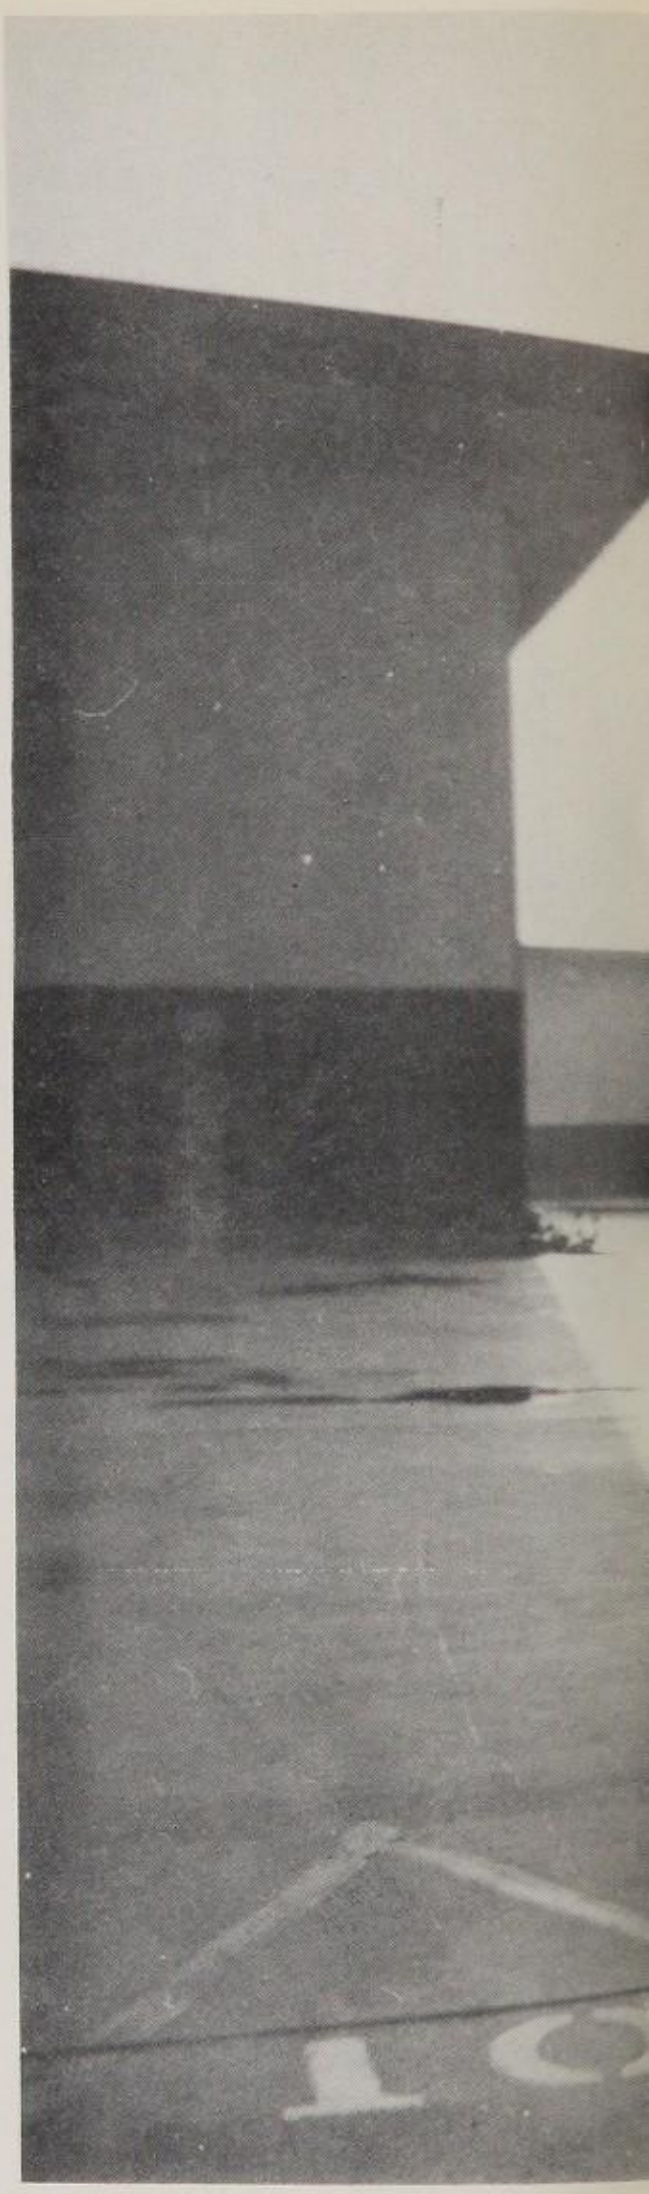
Tennis

The varsity tennis team, mostly seniors, coached by Ellis Page and co-captained by Frank McCabe and Gordon Moore, developed into one of the toughest, most dependable teams Helix has produced. They knocked down one opponent after another. By publication time they had beaten everybody but La Jolla, had second place in their pocket and the championship a possibility. Attaway!



Kneeling (left to right)—Frank McCabe, Bob Marrs, Jim Anderson, Bob Tilling, Jim Adams, Gordon Moore. **Standing**—Jay Elston, Bruce Adams, Tad Thompson, Don Harriman, John Vogt, Dale Cummings, Bill Adams.

Summer



As the year drew to a close we began to realize that soon the seniors were going to be gone. We would be losing them to marriage, the armed services, college and various other jobs. But in the meantime we had final tests and senior activities to keep us occupied. Our baseball team was really doing great. We knew they'd place high in the league standings. Then Graduation came. It was the end of another year, 1953-1954!

Second Prize, Tartan Photographic Contest: "All Gone Home" by Patricia Pfister

Choir

Our choir, under the wonderful direction of Mr. Rue, has really been on the ball this year. Their main undertakings were "The Fortune Teller" and "The American Heritage Pageant." They also found time for a trip to Redlands and numerous community activities. This busy year was topped with the annual awards banquet.

Tartan Staff

To an outsider the publications class may have appeared to be in a constant state of confusion, but to the Tartan Staff it was a kind of "organized confusion" resulting from many different jobs all with one goal in mind.

It was rough going for a while but everything turned out O.K. in the end. We'll never forget the deadlines, missing pictures, mixed-up schedules and last but not least the fun!

Baseball

Having won almost all their games to date of publication, the 1954 baseball team really showed promise. Coach Welbaum had sights set on the league championship, having nine returning Varsity men from last year.

Hurlers Fred Tooze, John Bates, and Dick Jackson have kept enemy batters on their toes. The batting and fielding of Jim Hutchins, Stewart Sloan, Frank Morgan, Brian Herald, Gail Stuckey, show signs of being championship material.

The coach responsible for the success of our Varsity team is Tom Welbaum. And working with the Junior Varsity to produce a top-notch baseball team for future years is Bob Devine. They are shown here in front of their prize "pitching arm"!

Seniors

It all started with Freshman Initiation Day at Grossmont. Remember the fun we had wearing beanies and being slaves to the upper classmen? Then we were sophomores at Helix, but on double session with Grossmont. A junior ring had to be chosen that year and the Ring Committee finally came up with a Scottish man on a green onyx. The following year we moved into our beautiful new school. Two big jobs awaited us; planning a prom and selecting a senior sweater. Our prom, "Deep Purple Paradise" was one of the best ever and the sweater was really sharp. Then, before we knew it we were seniors, keeping busy with senior pictures, Ditch-Day, the Banquet, and making plans for the future. Now at Graduation, we are on the threshold of that future. It's all over, four wonderful years and we will never forget them.

A Letter from the Editor

As editor of the 1954 Tartan, I would like to express on behalf of the staff, our never ending thanks and gratitude to the many people who have helped us make this annual a real thing.

Thanks to:

Mr. Ellis Page, our faculty advisor, for his patience during those trying after-deadline hours.

Mr. James Neyenesch, for his advice on all the technical details and Neyenesch Printers Inc. for the printing.

Mr. Tom Gillespie of Village Studio, for the senior class pictures and photographic help when we needed it.

S. K. Smith & Co. for the covers.

All the students who have given us their invaluable time. Special thanks are in order for Doug Patterson, who designed our cover and gave Helix High its official crest.

Our gratefulness and appreciation can never be expressed to these people.
